Dear Parish Family,

What a glorious and blessed Triduum and Easter celebration we had. I believe it was the most well attended celebrations in the church since the coronavirus outbreak. All of our masses at Easter had an overflow of parishioners and visitors that came to worship. For a moment, it gave me a feeling of being back to where we were before the pandemic. It was just beautiful!

How was your Lent? Did the '40 days and nights' have a whole new meaning for you this year despite the pandemic? Did it make you realize the need to be closer more than ever to your Lord and Savior?

How profoundly mysterious is this life we live? At the Easter vigil celebration, one symbol after another reminds us about life and living. The Easter fire (which was omitted in this year) and the flowing water speak so powerfully. Yes, our Alleluia was very enthusiastic!

Again, a special word of thanks for all of you who have done so much to make our St Michael's Holy Week and Easter celebrations truly special!

On behalf of the entire St Michael's Parish Staff we wish and pray for a very holy and a blessed Easter Season for you and your loved ones!

In the Risen Lord,

Fr. Dwight
